JCI Coconut Grove and JCI IOBA Curaçao, on April 14th 2007, started a new age in communications between chapters: Skyping network. During the "Ban Topa Politiko" event held by JCI IOBA Curaçao, the International VP Hernando Gomez, on behalf of the Miami-chapter, participated and shared with most of the Jaycees from the island. *Photo: Elise Eman, Board Member (JCI IOBA Curaçao)*

### JCI PRIME

On the 2<sup>nd</sup> weekend of April was held the International Seminar PRIME led by the International trainer Patrick Knight at the beautiful May Fair Hotel in Miami. The attendees learned practical guides to implement sound personal and leadership development programs to create positive change. The seminar helped to increase the confidence in presenting complex information in an understandable and interesting way; to increase the ability to motivate others, to increase the communication and organization skills, and to look at new situations with an open and positive mindset.

Congratulations to the all the participants: Erdem Ergin (NP 2007 Haiti), Daniel Anzanello, Debra Rosenbloom, Elliot Betancourt, Isaac Hernandez, Jane Decker, Jason Couto, Jose Figueroa, Joseph Kassab, Lillith Ordonez, Michael Gold, Sary Mabjish, Stephanie Berlin Gagnon and Vanessa Madrazo.

### Rebuilding Together Project

On April 28<sup>th</sup> JCI Coconut Grove partnered with the District 2 Commissioner, Marc Sarnoff, for a day of "Rebuilding Together". Very early in the morning the Jaycees and the rest of the volunteers got together for a new mission: paint, rebuild and beautify approximately 15 senior citizens' homes in the West Coconut Grove. No special skills was needed just a warm heart and happy attitude. Thanks to Jane Decker, Community VP, to put all the pieces together and let us have the opportunity to help this community with our own hands. Great job team!!!

After painting and helping to beautify 15 senior citizens' homes in the West Coconut Grove, the Jaycees deserved a rest. Nothing better than a Volleyball match on the beautiful beaches at Crandon Park in Key Biscayne. The sun was perfect, the sea was blue and our skilled players were awesome.

### CPH Volunteer Luncheon

On behalf of JCI Coconut Grove, Cristina Bahaia, Michael Gold and Jane Decker attended a luncheon honoring the Jaycees work with Community Partnership for the Homeless. Nice food guys!
