

Hands on Miami

On March 7th the JCI members participated in an orientation session with a local community organization named "Hands on Miami". The 1-hour session gave the participants a quick overview of its history, its programs and how to get involved. It was a great opportunity to know more about its community projects and to find out ways JCI Coconut Grove could partner with them. Great job!

Public Speaking Seminar

On March 21st the Jaycees attended a very exciting Public Speaking Seminar with Bert Oliva the "Master Motivator". His presentation was about some of the most important skills in leadership development that have to be considered while speaking in public: Sales Techniques, Presentation Techniques, Networking Techniques, Non-Verbal Communications, and much more. These invaluable skills can make the difference in closing a sale, giving a successful presentation or just becoming a more perceptive engaging speaker.

Thanks to Michael Gold, Business/ID VP for your guest.
Now we are prepared to speak in public, no shame!!!

European Week

Between March 26th and March 31st the Miami-Florida European Union Center of Excellence sponsored by Florida International University and University of Miami celebrated the European Week with exciting lectures, films, and art displays all open the community. It was a great opportunity to learn more about the European Union, the European culture and some more about their languages. *Je veux une bière (french)*, *Ich möchte ein Bier (german)*, *Desidero una birra (italien)* *Я хочу пиво (russian)*. Those are some useful expressions to know. Now we have the basic to travel around Europe!

Coconut Grove Jaycees

Miami (FL) JCI Chapter

On March 15th a new foster child visit took place at the MacLamore House (by Jackson Memorial Hospital). The Jaycees spent a few hours with foster children between the ages of 3-8 celebrating St. Patricks Day. The kids enjoyed the company and some snacks as well! Thanks to the Project Manager, Maureen, it was another success. Giving a little smile to the children does not require much effort, but it can bring deep happiness for them. Always smile! =)

On March 23rd, Friday, finally the Jaycees had a time to relax after this "tough" month! We are really committed to make this new tradition a real success. Some of us spent couples of hours at the Hooligan's Pub and Oyster Bar with FREE drinks and appetizers.

There was an excellent environment to get to know other young professionals. Remember to join us every fourth Friday of the month to keep this tradition remains forever. Well done fellow members!
